Vážení účastníci Majstrovstiev sveta nepočujúcich v alpskom lyžovaní 2025!

Je mi veľkou čťou a potešením, že Deaflympijský výbor Slovenska môže na tomto výnimočnom podujatí privítať nepočujúcich lyžiarov z celého sveta. Toto podujatie vzniklo vďaka láske k športu, vďaka odhodlaniu a odvahe členov Deaflympijského výboru Slovenska a ich spolupracovníkov.

Tieto majstrovstvá nie sú len o pretekoch, o rýchlosti a výkonoch, ale aj o vzájomnom porozumení, rešpekte a priateľstve. Keď sa pozeráme na prihlásených športovcov pripravujúcich sa na výzvy, ktoré pred nimi stoja, sme svedkami ich neuveriteľnej odhodlanosti, tvrdého tréningu a vytrvalosti. Každý z nich, či už na štarte alebo v cieľi, je inšpiráciou pre nás všetkých.

Tieto majstrovstvá sveta sú aj skúškou pre nás organizátorov, ktoré majú preveriť naše úsilie a schopnosť usporiadať také podujatie, na ktoré budú účastníci dlho a v dobrom spomínať.

Prajeme vám úspešné preteky, veľa šťastia a nezabudnuteľných momentov počas týchto Majstrovstiev sveta nepočujúcich v alpskom lyžovaní 2025. Nezabúdajme, že šport je viac než len súťaž – je to cesta k lepšiemu porozumeniu, k priateľstvu, k silnejšiemu spoločenstvu a k radosti z pohybu.

Dear participants of World Deaf Alpine Skiing Championships 2025!

It is a great honor and pleasure that the Deaflympic Committee of Slovakia can welcome deaf skiers from all over the world to this exceptional event. This event was created thanks to the love for sport, thanks to the determination and courage of the members of the Slovak Deaflympics Committee and their colleagues.

These championships are not only about racing, speed and performance, but also about mutual understanding, respect and friendship. As we watch the registered athletes preparing for the challenges ahead, we witness their incredible determination, hard training and perseverance. Each of them, whether at the start or at the finish line, is an inspiration for all of us.

These world championships are also a test for us organizers, which should test our efforts and abilities to organize such an event that the participants will remember for a long time.

We wish you a successful race, good luck and unforgettable moments during this World Deaf Alpine Skiing Championships. Let's not forget that sport is more than just a competition - it is a path to better understanding, to friendship, to a stronger community and to the joy of movement.

Vážení priatelia zjazdového lyžovania!

Dovoľte, aby som Vás srdečne pozvala na Majstrovstvá sveta nepočujúcich v alpskom lyžovaní 2025, ktoré sa konajú v malebnom kúte Nízkyh Tatier v našom najväčšom lyžiarskom stredisku v Jasnej. Toto významné medzinárodné športové podujatie nepočujúcich športovcov sa bude prvýkrát konať u nás na Slovensku a verím, že poskytneme všetkým športovcom ideálne podmienky na to, aby ukázali svoje lyžiarske schopnosti a predviedli čo najlepší športový výkon.

Touto cestou sa chcem poďakovať všetkým, ktorí sa spolupodieľali na príprave a organizácii tohto významného športového podujatia nepočujúcich a taktiež všetkým našim partnerom a podporovateľom, vďaka ktorým sme mohli na Slovensku takúto významnú súťaž uskutočniť.

Dúfam, že tieto majstrovstvá sa stanú nielen športovým, ale aj kultúrnym a sociálnym zážitkom, ktorý nám ukáže, aké dôležité je spájať sa cez šport bez ohľadu na naše rozdiely. Urobíme všetko preto, aby sme pre vás vytvorili nezabudnuteľnú športovú atmosféru, kde sa bude športové zápolenie niesť v duchu priateľstva, porozumenia a vzájomného rešpektu a na ktoré budete dlho a v dobrom spomínať. Ďakujem vám a prajem vám krásny zážitok!

EXPERIENCE IN JASNÁ

Grand Prix of Demänovské Caves is the oldest ski race in Slovakia and one of the oldest races in Europe. The first race in downhill and ski jumping took place at Mt Chopok in March 1938. The successful conduct of the race, building of accommodation facilities, improvement of the transport system in the Demänovská Valley gave an impulse to organize downhill races annually. The Grand Prix of Demänovské Caves held in March 26, 1939 was signed into ski history. The resort of Jasná Nízke Tatry is currently a modern ski destination with a comprehensive offer of quality services. We are proud that in 2024 we can host the 83rd year of this event.
